

Counties with merged timber land and designated forest land classifications under Senate Bill (SB) 6180

Introduction

SB 6180 allows counties the option of merging their timber land classification under [chapter 84.34 RCW](#) into their DFL program under [chapter 84.33 RCW](#). Counties are required to notify the Department of Revenue (Department) after taking action to merge their timber land and designated forest land classifications under SB 6180. The Department must maintain a list of all counties that have provided this notice on their agency internet website.

This document lists the counties that have notified the Department of the merger of their timber land and designated forest land classifications:
